Tour will depart from and return to the **Hilton Alexandria Mark Center**.

Perhaps the most enchanting way to enjoy the sights of Washington is to do so by moonlight. The night sky glows with the sights of Washington's many monuments and landmarks lit with thousands of lights.

Aboard a luxury motorcoach, our licensed guide will share fascinating facts on Washington's monuments and landmarks. In this all-encompassing night tour, we will pass such sights as the **White House**, the **U.S. Capitol Building**, the **Old Post Office Building**, the **Washington Monument**, **Smithsonian Museums**, **World War II Memorial**, **Tidal Basin** and **Jefferson Memorial**.

The tour will circle the inspiring **Iwo Jima Memorial** and then make a stop at the **Lincoln Memorial** to explore the tribute to President Lincoln and enjoy the stunning views down the **National Mall** and **Potomac River**. A short walk from the Lincoln Monument is the **Vietnam** and **Korean War Memorials** - both moving tributes to our country men and women who served in these conflicts and stunning to see in an amber glow at night.

This tour is an optional event.

Seating is limited and you must reserve your space and pay prior to the event. No Refunds*
